“EMERGENCY COMBO” of our clinic.  
It applies to these emergencies as :

- Diarrheas
- Colds
- Fevers
- Headaches
- Asthma
- Vomits
- Abdominal pain
- Ear ache
- Urinary infections
- Dizziness
- Sore throat
- Skin Cuts (Minor surgery).
- In Broken bones it will apply to the diagnose, the X rays and the medicines including the common cast not the fiber one, it will not include the Orthopedic specialist nor the cast technician fee. That should be paid apart.
- An to all those daily emergencies that would make you look for medical assistance in an emergency service of a hospital  
Any additional information I would be pleased to answer.
